Welcome to Worcester Music Festival 2024!

This year, as always, our beloved city comes alive with the vibrant sounds of music, celebrating the rich tapestry of creativity and community that makes our city so special. As we prepare to embark on this musical journey, we're thrilled to announce that over 250 artists from across the country will be performing in 23 unique venues throughout Worcester.

For 2024, we're excited to introduce new venues, including The Kings Head, the charming Script Haven bookshop, and The River King boat, offering you even more diverse settings to enjoy live music. Alongside these newcomers,

we're delighted to welcome back popular spots like The Paul Pry and St Swithun's Institute Halls!

At the heart of this year's festival is the Herefordshire & Worcestershire Motor Neurone Disease Association. This incredible charity works tirelessly to support local people affected by MND, offering grants for essential accessibility aids and providing vital assistance to carers and families. As you immerse yourself in the festival, we encourage you to support this worthy cause by donating online or to our brightly dressed charity team. Find out more on page 4.

CHARITY OF THE YEAR 2024!

Life with **Motor Neurone Disease (MND)** can be incredibly challenging, both for those diagnosed and their loved ones. The physical and emotional toll is immense, often leaving families feeling isolated and overwhelmed. This is where the **Herefordshire and Worcestershire Motor Neurone Disease Association** steps in, offering a lifeline of support, care, and community connection.

Run entirely by volunteers, our branch provides the best possible support to local people with MND, their families, and carers. We understand the complexities of living with MND and the strain it places on everyone involved. That's why we're here—not just to help, but to ensure that no one has to face this journey alone.

One of the most crucial ways we support families is through our twice-monthly support groups. These gatherings, held at various locations around Herefordshire and Worcestershire, offer a few hours where those living with MND can come together in a safe and supportive environment. It's a time to feel "normal" again, to chat, laugh, share experiences, and find comfort in knowing that you are not alone.

But our support extends far beyond these gatherings. Through generous fundraising, we've been able to provide vital grants that make a real difference in people's lives. We've helped fund stairlift rentals, a four-wheel-drive mobility scooter for someone in a rural area, a boot hoist for lifting a power chair into a car, and even a smartwatch to help someone with limited movement stay connected to the outside world.

For couples who cherish their time on the allotment, we funded a shed where they can rest

and take shelter. And for carers, we've offered

The logo for the Motor Neurone Disease Association (MND Association) features the letters 'mnda' in a stylized, lowercase font. The 'm' and 'n' are blue, while the 'd' and 'a' are orange. Below this, the words 'motor neurone disease association' are written in a smaller, sans-serif font, with 'motor neurone disease' in blue and 'association' in orange.

small but meaningful gestures—like a visit to the hairdresser, pamper days, or even a family weekend break.

We also recognise the unique needs of younger family members. We've upgraded computers to assist with schoolwork, redecorated a young person's bedroom, and even funded birthday parties to bring joy during difficult times.

While the exact number of people we help varies based on funding and individual needs, our reach is significant. Currently, we have over 20 members, each benefiting from the sense of community and support that our group provides.

Our mission is simple yet powerful: to enrich the lives of those affected by MND and to ensure that they, along with their families and carers, receive the support and care they need. With your help, we can continue to be there for those who need us most.

PHOTO COMPETITION 2024

Our annual photo competition is back for 2024 with exciting prizes! Whether you capture a live music moment or a lively audience, photographers of all ages and abilities are invited to submit their best shots from the festival weekend.

The competition will be judged by a panel of music photographers: Steve Johnston, James Watkins and Andy Burton.

Entries will be whittled down to a Top 20 ahead of the Top 3 being announced at the awards ceremony in October.

- 📷 You can use ANY type of camera to take your photo.
- 📷 Basic editing of photos is allowed
- 📷 You can be of any age, and any ability, to enter.
- 📷 You can submit up to ten photos.
- 📷 Only two photos of the same performance allowed.
- 📷 You cannot submit staged or promotional shots.
- 📷 Photos do not need to be of bands, but must be directly related to WMF 2024 events.
- 📷 Your photos also must have been taken at the 2024 WMF weekend festival.
- 📷 Photos MUST be submitted in standard 3:2 aspect ratio and hi-res jpeg format (*minimum size of 3600 x 2400 pixels*)

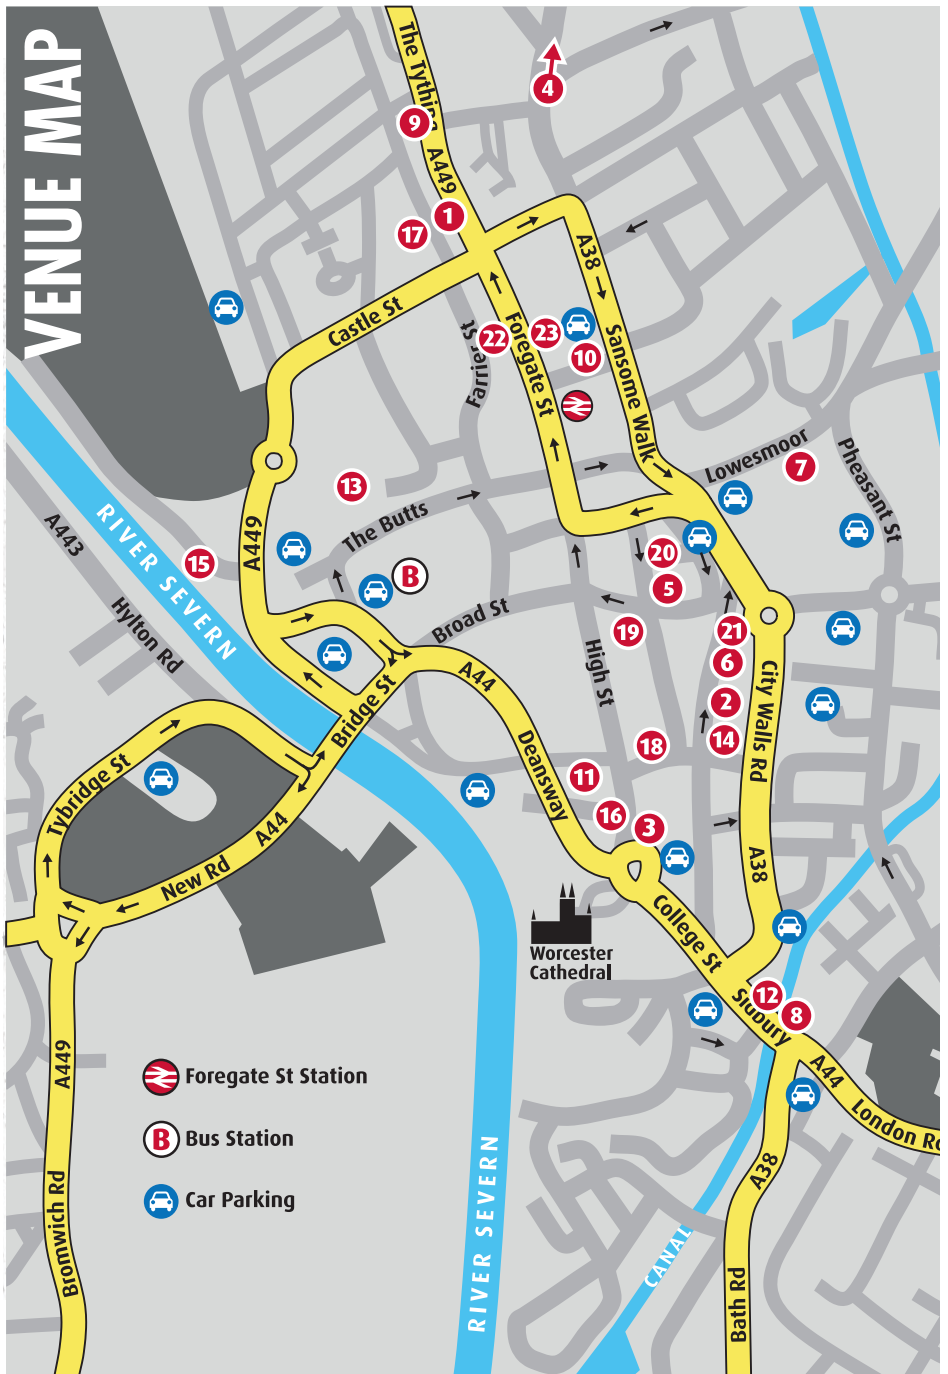

SO GET SNAPPING AND GOOD LUCK!

Entries close midnight Sunday, 6th October
